You’re invited to GATE Program Information Meetings!

GIFTED & TALENTED EDUCATION PROGRAMS
RSVP by Jan. 18, 2015

CHAMP (grades 7-10)
Mathematics: Complete four years of high school math curriculum in just two years! Study Algebra I, Algebra II, Geometry, & Pre-Calculus.

ISHALL (grades 7-10)
Humanities, Arts, Language, & Literature: Complete four years of high school English curriculum in only two years! Immerse yourself in reading, discussing, and writing about various genres of literature.

LEAF (grades 7-11)
French Language: Study high school French courses at an accelerated pace. Focus on reading, writing, speaking, and listening in French, as well as learning about French culture.

Dual Enrollment (grades 9-12)
Dual Enrollment is an opportunity for high schools students to enroll in college courses simultaneously and earn college credit.

Info Meeting
Sunday, January 25th, 2015
Location: Business College
Room N100 and N130

Check-In 12:00 PM
LEAF 12:15-1PM
General 12:30-1PM
CHAMP 1-1:45 PM
Testing/Dual Enrollment 2–2:45 PM
ISHALL 3-3:45 PM

Please RSVP to attend the GATE Info Meeting by filling out the form at the following website:
www.goo.gl/f6JcuX

Come to one or all of our information meetings to learn more! You will be able to meet the academic year program professors to learn about each program and ask questions. The General Session will review our summer programs: CSI Forensics, Future DOcs, and MST@MSU (Math-Science-Technology). You can also learn about Testing and Dual Enrollment. When you arrive, be sure to enter our drawing to win a GATE scholarship and other MSU prizes! Refreshments will be provided.

Please RSVP to attend. For more program information, visit www.gifted.msu.edu.
