GATE Programs Info Meeting | January 28, 2018

Complete 4 years of high school curriculum in 2 years! For grades 7-9.

**CHAMP**
Mathematics:
Highly advanced math students can enroll in this accelerated math program! Study Algebra I, Algebra II, Geometry, & Pre-Calculus.

**ISHALL**
Humanities, Arts Language, & Literature:
Academically advanced readers will study a wide range of texts and media in literature and the humanities including novels, biography, plays, poetry, and film.

**LEAF**
French Language:
Students with a passion for French language and culture can complete four years of high school French curriculum in just two academic years. In LEAF 2, students will prepare with their instructors to take the AP French Exam.

**ALL**
Latin Language:
Amo Linguam Latinam-
“I Love Latin!” Students will study language and linguistics and discuss the role Latin has played in the development of the English language. *Hybrid Course*

Please note: The next cohort of students will begin the program in Fall 2019. There will not be an info session for ALL-Latin, but check the GATE website for details!
