

**Intensive Study in PRE-MED ED**  
**Grades 7<sup>th</sup>-9<sup>th</sup>**

Are you interested in going into the healthcare field? Does becoming a doctor, nurse or veterinarian sound fascinating to you? If so, this is the perfect program for you. This program involves MSU's three health colleges: College of Nursing, College of Human Medicine, and the College of Osteopathic Medicine. The purpose of this program is to foster an interest in the STEM fields, create awareness of college admission, and generate a strategy to become a successful health care professional. As participants, students will discover the content of medical courses through demonstrations and hands-on activities, explore the options for undergraduate majors, and gain information about medical specialties. Students will be learning and participating in CPR, Nursing simulation, medical escape room, Emergency Preparedness and much more.
